Dear Sir,  
Letter of appreciation.

We the staff, pupils and authorities of the above school wish to thank your management for the wonderful job you have done for us. We can not say we did not expect it because you have always come to our aid in times of acute need. We know very well that the milestone trading company is the benefactor of our school. We wish them well in all their mining activities.

With such a well laid out sports ground you have provided for us, we promise to live to expectation.

We hope that the friendship between your company and our school will grow more and more.

Once more thanks for a job well done.

Faithfully yours,  
David P. H. Lippo.
